## **Council has entered into Consent Orders for Taylor Oval**

Moree Plains Shire Council entered into consent orders with the applicants in the Land and Environment Court proceedings relating to the rezoning of part of Taylor Oval.

The Council and the Minister for Planning agreed to the consent orders because there was an irregularity discovered in the exhibition process for the LEP.

The consent orders avoided a lengthy court case and unnecessary expenditure of ratepayer funds.

Mayor, Councillor Katrina Humphries said "We remain committed to the project and we will continue to work with the community, including the Aboriginal members of our community, to progress the future use of Taylor Oval in a consultative manner."

Advice has been sought from the State Government on completing consideration of the rezoning process.
