

# Water Service Connection Agreement

I hereby make an application to have work carried out to the water supply of the property listed below:

## Property Details

Assessment No.: .....

Name of Owner/s: .....

Address: ..... Telephone: .....

Lot No: ..... D.P. No: .....

## Water Service Required

**W2508.2.150**

**Water Supply Connection**  Diameter-AMR Pipe .....mm

Within 30m  30m – 100m  101m – 225m  from nearest main

Residential  Flat Number ..... Industrial  Commercial

Amount to Pay \$ .....

I/We the property owner/s understand this Water Connection Request, in relation to a Water Supply Connection, is a binding agreement and subject to Moree Plains Shire Council's Water Services Agreement (see below), Local Government legislation and any other relevant Council Policies. Council's current adopted Fees & Charges also apply.

## Moree Plains Shire Council Water Services Agreement

- 1 Works will be undertaken upon submission of a Water Service Agreement Form, correctly completed, and accompanied by payment of the applicable fee in accordance with Council's current Fees & Charges.
- 2 An appropriately qualified plumber is to check water pressure at site, in order that the design of plumbing is in accordance with AS3500.
- 3 Moree Plains Water & Waste Department will endeavour to connect the service at the point nominated on the attached diagram (optional) by the applicant, although this may not always be possible.
- 4 All meters are to be readily accessible for repair work & meter reading purposes.
- 5 Separate meters are required on all Strata or Community Title units, located at boundary.
- 6 All meters remain the property of Moree Plains Shire Council.

## Water Connection Diagram Required to be drawn on reverse of form and signed in confirmation.
